well defined. Final selection of the country and laboratory for visit is made with the help of FAO. The following procedure is followed in the selection of scientists:

* The priority areas based on the country's needs and gaps in competence were identified by the AHRD project overseas nomination screening Committee.
* Selection of the scientists at the Division/Department level by involving Board of Studies.
* Recomendation of the nomination at the Institute level by Dean/Director.
* Approval of the nomination by the AHRD project overseas nomination screening Committee.
* Processing of the nominations by the DARE for approval of the Union Agriculture Minister.

Institute of fisheries education-A centre of excellance

619. SHRI S. RAMACHANDRAN PILLAI: Will the Minister of AGRICULTURE be pleased to state:

(a) whether recommendations of Quinqennial Review Team in 1993, to make the Central Institute of Fisheries Education, Mumbai, a centre of excellence and to attain international competence have not been implemented;

(b) if so, what are the details of those recommendations;

(c) the reasons for not implementing them; and

(d) by when these are likely to be implemented?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI HUKUMDEO NARAYAN YADAV): (a) No, Sir.

(b) to (d) In view of (a) above, the question does not arise.
